

QUINTESSENTIAL CINEMAS

Contents

The Quintessential business has been designed and built by professionals for professionals who recognise the requirement for a bespoke turn key installation of the highest level possible.

High quality designs and equipment with a reliable service is important to us.

Our products are for people who want the best out of the latest technology that can help their busy lives be more productive, practical and enjoyable in less time and inevitably improve their quality of life.

Tattu

Unique Lighting Identity

Tattu delivers contemporary Chinese cuisine, fusing traditional flavours with modern cooking methods and exquisite presentation to create a unique and exciting dining experience.

Each Tattu has its own identity, taking guests on a sensory journey from East to West through its award-winning interior design and astute attention to detail.

Relax in stunning, immersive surroundings, and enjoy passionate customer service, delivering an experience unlike any other.

Our lighting team designed and installed a unique lighting design and setup to really bring this beautiful restaurant to life.
